## **Youtube Disclosure 2025**

Oxbow Advisors is a registered investment adviser. Advisory services are only offered to clients or prospective clients where Oxbow Advisors and its representatives are properly licensed or exempt from licensure. No advice may be rendered by Oxbow Advisors unless a client service agreement is in place. The opinions expressed on this platform are for general informational purposes only and are not intended to provide specific advice or recommendations for any individual or on any specific security. Investing involves risk and possible loss of principal capital.

The opinions expressed herein are those of the firm and are subject to change without notice. The opinions referenced are as of the date of publication and are subject to change due to changes in the market or economic conditions and may not necessarily come to pass. Any opinions, projections, or forward-looking statements expressed herein are solely those of the author, may differ from the views or opinions expressed by other areas of the firm.

Past performance is not indicative of future performance. It should not be assumed that future performance of any specific investment, investment strategy, or product referenced directly or indirectly in this communication, will be profitable or will equal the performance of the investment examples provided.

Oxbow Advisors YouTube channel does not generate revenue from our videos through views or ads. Any advertisements appearing on our videos are automatically placed by YouTube's ad system. Our primary goal is to provide viewers with information we consider valuable.

"Likes" or other comments are not intended to be endorsements of Oxbow Advisors, our advisors or our services and are not compensated. Comments by viewers or third-party rankings and recognitions are no guarantee of future investment outcomes and do not ensure that a viewer will experience a higher level of performance or results. Public comments posted on this site are not selected, amended, deleted, or sorted in any way. If applicable, certain editing of personal identifiable information and misinformation may be deleted.

Oxbow may discuss and display, charts, graphs, formulas, stock and sector picks which are not intended to be used by themselves to determine which securities to buy or sell, or when to buy or sell them. This specific information is limited and should not be used on their own to make investment decisions. This information is offered as educational only.
